# SiteTrax Drive

Part Number: ST-DVMT10

**CAPTURE ASSET IDS FROM ANY  
VEHICLE WITH AN EXTERIOR CAMERA  
CONNECTED TO AN INTERIOR TABLET.**

SiteTrax Drive is an interior vehicle-mounted tablet with a docking station connected to an exterior-mounted camera. This design provides optimal ergonomics inside of the vehicle while performing yard inventory checks. This platform is fully compatible with Android 10+ versions of the SiteTrax Capture app.

## WhySiteTrax?

SiteTrax is a revolutionary tool for collecting asset IDs by dramatically accelerating data collection over traditional means.
